2014 International Children's Festival

Presented by Hampton Parks and Recreation

Guide to Girl Scout Adventures

Our 14th Anniversary!

Saturday, April 19, 2014

10:00 a.m. - 5:00 p.m.

Mill Point Park in downtown Hampton, VA

This list has been created to help you keep track of any petal, badge, or Journey activities you complete at the International Children's Festival. The list should be given to your troop leader/advisor to transfer the information to your Girl Proficiency Award Checklist.

Instructions:

- Visit each country's tent to complete the activities listed.
- Please visit each country only once in order to ensure all girl members may participate and to keep lines shorter.
- Countries may have been added or deleted since the printing of this flier. Write in any additional activities you complete on the lines provided.
- There are so many things to do and see today which could be applied to Girl Scout awards. Please take a moment when you return home to look through your Girls Guide to Girl Scouting to match the activities completed at the Festival with the award activities.
- REMEMBER: No "double dipping". Several awards require that you do the same or similar activities. You must do the activity more than once for it to count for more than one award.
